Mr. Jeff Koenings
Department of Fish and Wildlife
600 Capital Way North
Olympia, WA 98501-1091

Dear Mr. Koenings;

I would like to acknowledge the many outstanding contributions that Anne Shaffer has made to the Clallam County Marine Resources Committee. Although Anne serves on the MRC in an ex-officio capacity, her input and guidance have been a major contribution to the success of the MRC's activities to date.

Her interest in the marine affairs of the North West Straits and Clallam County is evident through her participation in the Committee's many activities. Among other things, Anne has played a major role in the preparation of our early action grant proposals, assisted in the development of our current public educational workshop series, and provided an important liaison between the MRC and the Department of Fish and Wildlife.

The Clallam County Marine Resources Committee is fortunate to have Anne's professional expertise so readily available. I look forward to her continued participation in support of our future activities.

Sincerely,

Joe Schmitt
Chairman
